RISK ASSESSMENT FOR SCHOOL OPERATION FROM SEPTEMBER 2020

This risk assessment is based on **Guidance for Full Opening: Schools**

<https://www.gov.uk/government/publications/actions-for-schools-during-the-coronavirus-outbreak/guidance-for-full-opening-schools>

Date of Risk Assessment: Updated May 2021 with amendments relating to rchange in guidance from 17th May 2021.

Signed: KWA

Covid-19 is an illness that can affect your lungs and airways. Symptoms can be mild, moderate, severe or fatal. This risk assessment is for pupils, teaching and support staff and should be adapted by each of The MNSP schools. The document must be adapted to reflect the unique circumstances in your school. You need to add any additional controls and indicate who is responsible, by when and indicate when in place (ie you must complete the last 3 columns) There is an expectation that staff will work at a distance from each other and from pupils as much as possible. If staff are working totally alone in the school, please ensure that a lone-working assessment has been undertaken and safeguards put in place for that person. You will need to review other risk assessments you have in place, for example use of equipment and practical lessons.

This risk assessment covers the Writhlington and MSN Sixth forms and Year 13 students in Mendip. Year 12 Mendip students are covered by the Mendip risk assessment.

HAZARD: Spread of Covid-19 Coronavirus

Who Might be harmed:

- Staff
- Pupils
- Visitors to your premises
- Contractors

- Vulnerable groups – Elderly, Pregnant workers, those with existing underlying health conditions
- Anyone else who physically comes in contact with another person

<p><u>Social Distancing for staff</u></p> <p>Social Distancing: We will follow the relevant guidance on social distancing.</p> <p>Ideally, adults should maintain 2 metre distance from each other, and from children. This will not always be possible, particularly when working with students with additional needs, but we will encourage adults to do this when circumstances allow. In particular, they should avoid close face to face contact and minimise time spent within 1 metre of anyone else.</p>	<p>To help reduce the spread of coronavirus (COVID-19) we will be reminding everyone of the public health advice - https://www.gov.uk/government/collections/coronavirus-covid-19-list-of-guidance</p> <p>Posters, leaflets and other materials will be displayed prominently https://www.gov.uk/government/publications/guidance-to-employers-and-businesses-about-covid-19</p> <p>Checks need to be carried out by site managers, Business Managers or other senior leader</p> <p>Covered in each home school risk assessment</p> <p>Staff to be reminded on a daily basis of the importance of social distancing both in the workplace and outside of it.</p> <p>Covered in each home school risk assessment</p> <p>Only First Aid incidents may require the 2M rule to be not maintained and in this situation please see guidance above on first aid procedures. <p>As far as possible, desks, telephones and computers will not be shared. Where offices are shared and the necessary distances are not possible then we will provide separation of these areas, with physical barriers or find alternatives space to relocate the work</p> <p>Support staff may be asked to undertake tasks which may be different from normal day to day routine but which are commensurate with their job role. Processes may need to change to incorporate social distancing.</p> <p>Social distancing also to be adhered to in the canteen area and staff room and during any rest breaks.</p> <p>Staff are often required to meet parents and representatives from other organisations as part of day to day essential work. Staff must continue to follow social distancing during meetings, using larger airy spaces when possible. Non-essential meetings will not take place or may be held over the telephone or using Google Meet. If documents need to change hands during any essential meeting, care should be taken to wash hands afterwards.</p> <p>Face-to-face meetings, if they must happen, should only include “absolutely essential” participants, who should remain two metres apart.</p>	<p>Covered in each home school risk assessment</p> <p>If desks and computers must be shared due to reception rota, for example, these should be wiped between users with alcohol based wipe or other appropriate cleaner.</p> <p>Covered in each home school risk assessment</p> <p>Covered in each home school risk assessment</p> <p>Staff will not invite parents or other agencies to site unless it is absolutely essential and business cannot be satisfactorily conducted by telephone/on-line. All necessary visitors should be expected and reminded ahead of their visit that social distancing arrangements will be in place. Cover teachers and other agencies essential to supporting pupils will be welcomed to site but expected to comply with rules in place.</p> <p>If possible these meetings should take place using resources such as Zoom or Google Meet.</p>	<p>N/A</p> <p>All Sixth form visitors to be arranged via AGR to ensure protocols are met.</p>	<p>N/A</p> <p>By end of August 2020</p>	<p>N/A</p> <p>Staff briefed and guidance email written to be sent to all visitors. 13/7/20 KWA</p>	<p>6.3.241 All potential meetings continue to be carried out remotely.</p>

<p><u>Social Distancing and reduction of mixing – pupils</u></p> <p>We will follow the guidance set out in <i>Coronavirus (Covid-19): implementing protective measures in education and childcare settings</i>.</p> <p>Consistent groups reduce the risk of transmission by limiting the number of pupils and staff in contact with each other to only those within the group.</p> <p>The timetable will be adjusted to keep groups apart and movement around the school to a minimum.</p> <p>Whatever the size of the “bubble”, they should be kept apart from other groups where possible and older children should be encouraged to keep their distance within groups. Where possible, we will limit interaction, sharing of rooms and social spaces between groups. We will ensure that pupils only mix in a small, consistent group and that small groups will stay away from other people and groups. As far as possible the group will remain in the same area and avoid using areas already used by other groups.</p> <p>We will make adaptations to the classroom to support distancing where possible. This will</p>	<p>Staff should implement the recommended measures as far as they are able, whilst ensuring children are kept safe and well cared for</p> <p>Teachers and other staff will use age appropriate ways to encourage children to follow social distancing, hand-washing and other guidance. They should encourage parents/carers to reinforce these messages at home, by asking them to remind their children.</p> <p>Students will remain in social bubble for the duration of the time they are in school.</p> <p>Each Sixth Form will endeavour to act as its own social bubble. Students will attend lessons in a specific group of classrooms and will only use these allocated classrooms unless there is a requirement for specialist resources in another room. If this is the case the students will be given a set meeting point in their area and will be escorted to the teaching room by their teacher.</p> <p>Year 13 Mendip students will be part of the Writhlington Sixth Form bubble.</p> <p>Students attending lessons at Somervale will meet their teacher at the external gate and will be escorted to the lesson. They will only enter the site once other students are in their lessons. Students will use the visitors toilet if they require, which is not in use by any other bubble.</p>	<p>KWA to monitor and ensure these are enforced. Staff and students are reminded regularly.</p> <p>BHA to arrange and monitor</p>	<p>Sept 2020</p> <p>Sept 2020</p>	<p>Posters to be displayed, guidance for staff to reinforce and parents updated with guidance July and again at start of term</p> <p>BHA sent guidance to students, KWA sent Writh guidance to MSS.</p> <p>Staff given guidance, students attending SV given additional briefing Staff given guidance, students to</p>	<p>6.3.21 Students & parents received guidance prior to return to site</p> <p>14.05.21 Students & parents received updated guidance.</p> <p>10.11.20 Students picked up</p>

<p>include seating pupils side by side and facing forwards, rather than face to face or side on.</p> <p>Schools should also consider staggered break times and lunch times (and time for cleaning surfaces in the dining hall between groups).</p> <p>We will consider the best place and timings for lunch. If it is not possible to provide sufficient distance and in order to prevent mixing of groups, lunch may be brought into the classroom.</p>	<p>A small number of students will need to attend the Year 12 Applied Science Writhlington class. They need to be escorted to the lesson by the teacher - who will pick them up from the front of the Writhlington sixth building. They then need to sit socially distanced from the rest of the class. The tables and chairs need to be cleaned after they leave.</p> <p>This same air bridge will apply to Mendip Y13 students for pastoral support and the same mitigation will be applied for them to attend R26 during tutor periods with SWO supervising.</p> <p>Sixth Form areas will be adapted to provide study areas with seating facing forwards and these together with the classrooms will provide social spaces for the sixth form. Students will be encouraged to take advantage of additional home study to limit numbers in the social/ study areas to facilitate social distancing. Update: to reduce the size of bubbles, each year group has been allocated specific areas in the sixth form communal areas.</p> <p>Sixth form students will use an allocated area during lunchtime - Writh - the areas behind the sixth form centre and for NHill this will be the area outside English and the Sixth Form by the coach road. Students will have access to food facilities within their bubble at allocated times.</p> <p>All sixth form classrooms will be adapted to ensure desks are facing forwards. In the Writh Sixth Form atrium there are desks where students are facing each other but these allow students to sit two metres apart. In IT there is enough distance between the facing computers to allow for social distancing.</p> <p>Break and lunchtimes will be staggered as follows: Writh</p>	<p>Site team/ sixth form team</p> <p>KWA</p> <p>Site team</p>	<p>August 2020</p>	<p>be briefed in Sept</p> <p>Staff given guidance, students to be briefed in Sept</p> <p>Survey already completed to assess numbers; students given time to plan for this. Seating maximised to ensure maximum capacity and safety.</p> <p>Site team to move tables and layout in August.</p> <p>Confirmed with kitchen staff; student guidance</p>	<p>from Sixth Form Centre by member of staff. Students are able to use SV Sixth Form Centre if required to wait for a lesson.</p> <p>10.11.20 Three students also attend Wri Core Maths class. They are picked up and separated in the class. Cleaning protocols are followed afterwards. Update 14.05.21 Students are no longer required to wear face masks, although they are encouraged to do so</p>

<p>We will remove unnecessary furniture out of classrooms to make more space. Items that are difficult to clean will be removed from classrooms.</p> <p>For individual and very frequently used equipment, such as pencils and pens, staff and pupils will have their own items and these will not be shared.</p> <p>Classroom based resources, such as books and games, will be shared within the bubble but will be regularly cleaned along with all frequently touched surfaces</p>	<p>Break time: 11.15 - 11.30 Lunchtime: 1.00 - 1.45 Sixth form will get food from the external hatch of the Mendip Servery 1.00-1.25. Nhill Break time: 10.45-11.00 Lunchtime: 12.50-1.45 Sixth Form will have allocated time for access to the dining room from 1.30-1.45 and 11:50 - 12:00</p> <p>Students will be able to use classrooms allocated to sixth form to have lunch, unless they are science labs.</p> <p>Seating which is fabric covered will be removed from the study areas in use to ensure all furniture in rooms can be effectively cleaned.</p> <p>There will be no access to vending machines and water fountain due to risk of cross contamination.</p> <p>Students should also bring in their own equipment and resources. Teachers need to inform students before lessons if there is any specific equipment they need to bring with them. Students are to be issued with textbooks to be used for the duration rather than each session. Teachers will only mark assessment books for Sixth Form. These will be kept in the classroom and appropriate time should be allowed between the students handing them in and marking them to allow for possible transfer to be significantly reduced and the same applies in reverse. <p>Resources that are shared between classes or bubbles, such as sports, art and science equipment will be cleaned frequently and meticulously and always between bubbles, or rotated to allow them to be left unused and out of reach for a period of 48 hours (72 hours for plastics) between use by different bubbles.</p>	<p>hours, eg, books taken in on Monday and returned on Thursday.</p> <p>Any chrome books used by students will be cleaned after each use.</p> <p>Any practical lessons will maintain the 2 metre social distancing.</p> <p>If a teacher needs to meet with a student individually to provide additional subject support then this will be done either by video conference (following MAT guidelines), phone call or with socially distanced meetings.</p> <p>Students should not wear lanyards as these cannot be cleaned daily. Students will instead display their ID in clear plastic clip on badges, that can be easily and regularly cleaned, that should be visible at all times in case they need to verify their identity to safeguard other students. Students will be registered by subject staff and entrances will be monitored. Entrances will only be open at break and lunchtime, apart from the start and end of the day. To minimise the potential for crossover with other year groups.</p> <p>Sixth Form students are expected to adhere to the social distancing guidelines where possible. Students must not deliberately break the social bubbles and if they do so or fail to comply with the guidance they will be sent home.</p> <p>Equipment and surfaces should be cleaned and disinfected more frequently; covered in each home school risk assessment cleaning schedules.</p>	<p>Sixth Form team</p> <p>Sixth Form Team</p> <p>N/A</p>		<p>Chromebooks to be disinfected when returned to 6F office</p> <p>Guidance given to staff and sessions booked with AGR from Sept to allow monitoring</p> <p>Clip badges ready for issue in Sept. <p>Practical lessons where these take place will need to have their own risk assessments reviewed.</p> <p>Groups should be kept apart, so there will be no large gatherings including assemblies with more than one group.</p>	<p>All subjects with specialist teaching areas will have their own risk assessment.</p> <p>Science lessons: If practicals are undertaken they will follow CLEAPSS guidelines for the conduct of practical work during COVID19 pandemic. This suggests each student will be given individual equipment and work in 'closed spaces' in the lab (stations). This equipment will be trayed up individually for each student and removed after the students have left the labs. Where we don't have enough kit the practicals will not take place and a demonstration will be used instead. For Applied Science at Mendip students will have their own equipment this will be bubbled appropriately.</p> <p>Art lessons: Nhill - Art: All students to have separate: books/work in drawers (separate drawers) /Essential booklets/ Basic drawing media in separate folder/wet media in allocated separated container in Sixth form 'area' allocated for them.</p> <p>Nhill Photography: As for Art : Digital: Computer based lessons (movement between A1 and A2 only restricted if A2 functions as a classroom for GCSE Photography).</p> <p>All desks cleaned prior to/after all lessons</p> <p>With: Sixth Form Art will have a discrete room and each individual will have a pack of materials.</p> <p>Technology Lessons: Nhill - At the end of each lesson the equipment will be wiped down with sanitised wipes. There will be a set of goggles for each student so these will stay with them. Teachers will be wearing visors and students are to wear masks when completing practical as social distancing is more difficult. A more detailed subject risk assessment is available - see Appendix A.</p>	KWA	Sept 2020	<p>All checked and discussed. Processes in place. Final sign off with Headteacher of each site.</p> <p>Guidance to be added to website from Sept. Will</p>	<p>wear masks and socially distance on the pathway.</p>

	<p>All assemblies to be delivered virtually to tutor groups.</p> <p>Students transferring between sixth forms will complete two weeks out of the school environment before joining the new site.</p>			confirm last day of attendance at previous school.	
<p><u>Arrival at school</u> To support social distancing and to avoid gatherings we will stagger the arrival of pupils (and staff) at school).] We will review entrances and exits and nominate who should use each one in order to restrict the numbers at any one time.</p>	<p>Sixth Form students at Nhill to use the same entrance as year 8, via the Coach Road but arrival and departure will be staggered to minimise any risk of interaction. At Writh site students will have exclusive use of the Sixth Form block but will use the communal gate but maintain social distancing when arriving. At Sv they will be met at the gate and escorted to their lessons by their teachers.</p> <p>Writhlington: Students can only use the Sixth Form building and they can use the Leisure centre car park. The centre will be open from 8.00 for students. Students will be directed to handwashing facilities and then to take seats in either a classroom or the study hall/ atrium. If students need to wait outside then social distancing needs to apply and floor marking will be in place.</p> <p>Norton Hill: Car Parking - Students not to use cars where possible. Parking will be limited.</p> <p>Departure times to be staggered on both sites.</p>	KWA/ COH/ CTA	Sept 2020	Parents/ students/ teachers informed - more detailed guidance to go out in Sept 14.7.20 kwa	<p>Completed</p> <p>17.05.21 Students no longer required to wear face masks but are encourage to do so.</p>

<p>We will have a process for removing face coverings when pupils and staff who use them arrive at school. Pupils must be instructed not to touch the front of their face covering during use or when removing them. They must wash their hands immediately on arrival (as is the case for all pupils), dispose of temporary face coverings in a covered bin or place reusable face coverings in a plastic bag they can take home with them, and then wash their hands again before heading to their classroom.</p> <p>Consideration will be given as to whether any different arrangements are necessary for the arrival of contractors to site.</p>	<p>Both sites will have an area in the foyer of the sixth form for students to remove masks with a bin for disposable masks. This will also have hand sanitiser.</p> <p>Covered in each home school risk assessment</p>	Sixth Form Team	Sept 2020	Area planned and ready for Sept 14.7.20 kwa	
<p><u>Movement around the school</u></p> <p>Lessons will be planned to reduce the movement around the school.</p> <p>We will avoid queues (eg outside of classrooms)</p>	<p>All Sixth Form sessions will take place in allocated rooms which are only in use by Sixth Form students. In the few occasions where this is not the case then cleaning of the desks will take place before and after students use the room. when attending Somevale for lessons the Somervale protocols for cleaning between lessons will apply.</p> <p>Norton Hill site: Sixth Form bubbles will have their own entrance and pathways around the school to limit interaction between social bubbles.</p> <p>Writh: Students will only use Sixth Form centre. Where they are going to specialist classrooms they will be escorted by a member of staff.</p> <p>Students also have their own allocated outside space.</p> <p>Students will be able to enter the classroom as they arrive.</p>	KWA KWA/ Sixth Form team	Sept 2020	Guidance written and students/ parents/ staff informed. <p><u>Use of toilets</u></p> <p>Different groups do not need to be allocated their own toilet blocks, but toilets will need to be cleaned regularly and pupils must be encouraged to clean their hands thoroughly after using the toilet</p>	<p>Staff should pay particular attention to handwashing before and after supporting children who need help with toileting (or eating), as well as avoiding touching their own face whilst at work.</p> <p>Only one student is allowed out of a lesson at a time to go to the toilet.</p> <p>Nhill - Sixth Form students to have exclusive use of downstairs Cotswold Toilets.</p> <p>Writh - Students will have exclusive use of toilets in the Sixth Form block</p> <p>SV - Students will have exclusive use of the visitors toilet</p> <p>During lesson time only one student from each class will be allowed to go to the toilet at any one time.</p> <p>Posters displaying reminders to wash hands and good practice for handwashing. <p><u>PPE: gloves</u></p> <p>When possible, spillages etc. should be cleared by the cleaning staff. If these staff are not available, then disposable gloves must be worn. Staff will be instructed on how to remove gloves carefully to reduce contamination and how to dispose of them safely.</p> <p>Gloves will be worn for the administration of all First Aid and for support children with toileting, etc</p> <p><u>PPE: Face masks</u></p> <p>In non-health care settings there is currently no requirement or guidance for face masks. However, the schools will have disposable masks available for use should the guidance change and for situations where an urgent requirement to break the social distancing guidelines is required (in early years or primary setting or during first aid need for example). Those staff who wish to wear a face mask may request one.</p> <p>Staff should remember that current guidance emphasises good distancing and handwashing behaviours above all else.</p>	<p>Staff to be reminded that wearing of gloves is not a substitute for good hand washing and that gloves can also spread the virus.</p> <p>Covered in each home school risk assessment</p>	N/A	N/A	N/A	
<p><u>Symptoms of Covid-19 – staff</u></p> <p>If anyone becomes unwell with a new continuous cough or a high temperature in the workplace they will be sent home and</p>	<p>Line managers will offer support to staff who are affected by Coronavirus or has a family member affected.</p>	N/A	N/A	N/A	

<p>advised to follow the stay at home guidance and get tested.</p> <p>Tests can be booked online through the NHS testing and tracing for coronavirus website, or ordered by telephone via NHS 119 for those without access to the internet. Staff in schools have priority access to testing.</p> <p>If a test is negative, if they feel well and no longer have symptoms similar to coronavirus (COVID-19), they can stop self-isolating. Other members of their household can stop self-isolating.</p> <p>If a test is positive they should follow the 'stay at home: guidance for households with possible or confirmed coronavirus (COVID-19) infection' and must continue to self-isolate for at least 7 days from the onset of their symptoms and then return to school only if they do not have symptoms other than cough or loss of sense of smell/taste. This is because a cough or anosmia can last for several weeks once the infection has gone. The 7-day period starts from the day when they first became ill. If they still have a high temperature, they should keep self-isolating until their temperature returns to normal. Appendix A

Technology COVID Plan

Year 7 and 8

- Students will not be taught normal SOL of learning due to rooming and class sizes
- Year 7 will be given 4 projects that will run for 2 weeks each. These will give them a taste of the subjects they will study later in school. They will then be given an 8 week project to take them through to Christmas
- Year 8 will be given 2 separate 8 week projects which will take them through to Christmas.
- Projects have been planned to stop the need for specialist tools and equipment.
- When tools that could cause injury (craft knives, scissors, screwdrivers and needles) are used, normal safety rules will be followed. This will include an explanation of how to use the tool safely and supervision when doing so.
- If tools are handed out then they will need to be sanitised **BY STUDENTS** before and after use using wipes.

Year 9-13

The same curriculum will be taught in Technology with minor changes to promote COVID safety. Technology will NOT be following CLEAPPS guidance. If required to do so we will not be able to conduct practical lessons.

To mitigate the risks of COVID we will put the following steps in place. These are in addition to school policy.

GENERAL

- Staff to wear visors and face masks when completing practical.
- Each teacher to have 5 visors so they can rotate and ensure COVID hygiene.
- Pupils are currently not allowed to wear masks but if government advice on this changes we would like them to for practical.
- COVID safety rules slide to be displayed at the beginning of each session.
- Golden rules lesson at the beginning of rotation so students have a clear understanding.
- Marking needs to be completed 72 hours after the lesson.
- Behaviour policy strictly followed for students not following department policy. Where the issue might be linked to SEN, teachers will seek advice and support from RLE.
- No practical planned for the first 2 weeks in September to allow a period to reflect on rule changes that may have occurred over the summer.

FOOD

- Practical sessions to be adapted to be an hour to allow plenty of time for cleaning. Wash when they come in and wash when they complete the practical.
- Teachers will perform extra visual checks on equipment to make sure it is safe.
- Food will have to be placed in a sealed container at the end of the lesson.
- Students to wash hands at the start of each sessions and then sanitise with alcohol gel.
- Students to only talk when necessary to avoid spread.

- Students who do not clean up properly will not be allowed to cook for the following session. They will then be given another chance.
- Students who forget ingredients will work from a textbook as is the case now.
- Linda to wear gloves and face masks when preparing PP student ingredients.

ALL OTHER AREAS:

- Sanitizing wipes for each classroom when entering - alcohol gel for each room. Pupils need to be responsible for cleaning their area before the start of the lesson. CST to make sanitising stations for each classroom.
- Special bins for sanitizing wipes to place in.
- All pupils to have their own goggles provided by the school – Students will not complete practical if they forget their goggles. If they lose them they need to replace them.
- Students to sanitise all equipment with wipes before and after use.
- Seating plans in place for workshop as well as classroom. Students to only move from these to get equipment or put it back.
- Need to provide a kit list for parents, colouring pencils, scissors and glue sticks etc. Then anything else needs to be sanitised after use.
- No to gloves unless using equipment that requires them.
- Minimise talking in a classroom.
- Textiles - All pupils have their own needle and pins which they keep in their book.
- If students lose a set of needles they will be given 1 replacement. If this is also lost they will be expected to provide their own and will not be allowed to do practical until they have done so.
