### Year 13 Leavers

Dear Parent/ Carer

Year 13 students' last day in school is this Friday 28th May. We wish them all the very best of luck in their future endeavours. These students have had an unusual experience of sixth form life due to the pandemic and have coped with it exceptionally well, showing real resilience and determination. Although students will not be in school next half term we are still here to support them in the period leading up to results day and afterwards. We would encourage students to keep in touch should they need any additional support in planning their next steps.

I have detailed below the arrangements for results day and we have been informed that there will be an opportunity for students to retake exams in November if they wish to do so.

Results day is **Tuesday 10<sup>th</sup> August** and results will be available either on site: **for MSN Sixth in the Norton Hill Sixth Form Centre, for Writhlington Sixth Form in the Sixth Form Centre and for Mendip Sixth Form in the Mendip R&D Hub at 8:30am**, or online on the Portal/ Insight. From 11am results each site will have their own procedure for collection and will notify the students.

If your son/daughter has applied to university, we recommend that they check the UCAS website before they come into school. This will tell them whether they have been accepted by the firm or insurance universities before they receive their results.

If they have applied to university, they should also ensure they have changed their school email address to their personal email address on their UCAS application. This is because the school email accounts will close for all students on 27th August. Email changes can be made on UCAS Track. Assistance will be available to students in school when they collect their results, if they need to go through Clearing. If students need assistance with this they must bring their UCAS details into school with them.

Ms Pascoe (epascoe@writhlington.org.uk) and Ms Windsor (rwindsor@nortonhillschool.com), the Sixth Form's career advisors, will be available on the day to provide support and guidance if needed, as will the Sixth Form Team.

If your son/ daughter is not able to collect the results themselves in person then they can log onto the Portal/ Insight to see their results remotely. We would advise that students attempt logging on to ensure they are able to do this.

**A reminder that their school IT accounts will be closed on Friday 27th August. Any files left in the accounts at this point will be deleted.**

I know that the students have worked hard all year and would like to wish them the very best of luck for the future.

Yours faithfully

A handwritten signature in black ink that reads "K. Ward".

Mrs K Ward
